About Me

I am a Sophomore at Klein High School (KISD). At school, I play Viola for the Varsity Orchestra and was in the Junior Varsity Soccer team. I am actively involved in the Computer Sciences, Mu Alpha Theta (Math), Octathlon & Chess Clubs. Since my childhood, I have been fascinated by aircraft and spacecraft. I am always eager to learn about aircrafts & spaceships including the history and journey along with the current trends and leaders in the aerospace industry.

Klein High School Academics

- ❖ Cumulative GPA (Freshman year): 5.41/6
- ❖ Class Rank (Freshman Year): 23rd
- ❖ Gifted Talented Student with 5 AP classes
- ❖ School Clubs: Academic Octathlon, Computer Science, Mu Alpha Theta & Chess clubs
- ❖ School Teams: Varsity Orchestra & Junior Varsity Soccer

Projects

- ❖ Developed a primitive game using MIT's Scratch application
- ❖ Built a Rube Goldberg machine that completes simple tasks with 10 steps to pop a balloon
- ❖ Working on building a proto-type of rocket with plastic bottle as pressure chamber and aiming to launch 100 feet with an egg inside and bringing the egg without breaking

Fun Facts

My favorite plane is the P51D Mustang and I can identify many WWII & contemporary aircraft based on the characteristics of the planes.

I have a personal library with over 100 books, mostly Sci-Fi and Realistic Fiction

Awards

My Middle School Pentathlon team came 2nd in the Region with 4 medals

My Elementary school Rubik's cube team won First Place in the State

Traits

Hard working, passionate, kind, understanding, fast learner

Favorite Pastimes

Reading, building legos, playing viola, rubik's cubes, photography, & soccer.

Languages

English, learning Spanish & Telugu

Technical Skills

Coding: Python, Javascripting
DevOps: Github, VSCode
